OF ROME

Barbara Zwicknagl

HUMBOLDT UNIVERSITY

Advanced undergraduate students, graduate students, and postdoctoral fellows are encouraged to apply for financial support. For full consideration, the requests for financial aid should be made by March 1, 2027. Graduate students, postdocs, and scientists with a recent Ph.D. degree are encouraged to contribute a poster presentation for this conference.

ORGANIZING COMMITTEE

Giovanni Leoni, *Carnegie Mellon University*, **Maria Giovanna Mora**, *University of Pavia, Italy*
Massimiliano Morini, *University of Parma, Italy*, **Robin Neumayer**, *Carnegie Mellon University*, **Dejan Slepčev**, *Carnegie Mellon University*

FUNDING

The conference is supported by NSF (DMS grant 2342349 RTG: Frontiers in Applied Analysis), Center for Nonlinear Analysis, Department of Mathematical Sciences and Mellon College of Science
